MANAGEMENT CONSULTANTS

Our Approach

- Identify Problem Areas
- Document a Plan of Action
- Work with Management to Implement the Plan
- See that all tasks and/or changes are implemented within the scheduled time frame

Joel S. Duhl

Joel S. Duhl has been a financial and management professional since 1971. He has held positions as Corporate Secretary, Treasurer, Chief Financial Officer and Consultant in the healthcare, service, manufacturing and distribution industries. Mr. Duhl has assisted businesses to start-up and adjust to growth. The business plans and financial packages he has written have enabled the organizations he associated with to raise financing.

Business and Financial Planning

Joel S. Duhl, Inc. assists individuals and companies in organizing and writing clear and complete business plans and financing packages. We prepare the required financial projections and notes from a client's assumptions, and assemble the necessary "due diligence" documentation to obtain the funding.

Through our guidance, we enable our clients to accelerate the process by which they obtain funding and achieve business goals.
